### Eligibility

Customers are eligible for electric-saving measures if they purchase electricity from one of the utilities on the participating electric provider list. Customers are eligible for gas-saving measures if they purchase natural gas from one of the utilities on the participating natural gas utility list.

Please note that customers of participating WPPI member utilities in **red** are eligible for Focus electric “prescriptive” measures only and should contact WPPI for assistance with apartment/condo new construction, electric biomass/biogas renewable energy, or custom electric business projects. Eligibility for natural gas prescriptive/custom is still based on the customer’s natural gas provider.
